## Product News: MAJOR Industries Daylighting Systems

Dear AluSpec Customers,

We are pleased to represent *MAJOR Industries* quality product line of custom skylights and translucent wall systems. *MAJOR* has worked with industry leaders to create energy-saving daylighting solutions that fit a wide range of applications and budgets. From pre-engineered Quick Ship skylights to complex polygons to blast protection systems, Major has a solution that's right for your next project.

MAJOR is the only manufacturer to offer three distinct translucent panel daylighting systems:

1. **LightBasic:** a value-driven system with simplified framing and Acrylit face sheet technology.
2. **Guardian 275:** skylights and wall systems that offer numerous options and specialty configurations along with Ultimate Series FRP face sheet technology.
3. **Clima-Tite:** pultruded fiberglass framing enhance thermal performance and corrosion resistance. A unique snap-to-lock installation feature eliminates unsightly visible fasteners.
